HOTEL & GOLF LINKS  
*Where nothing is overlooked... but the sea*

The emergence of The Links Portmarnock as one of Ireland's premier place to play golf epitomises the better virtues of Ireland's celebrated eminence as one of the world's leading golf destinations.

Situated on the shoreline of the rugged peninsula jutting out into the Irish Seas, as an immediate neighbour of Portmarnock Golf Club, The Links Portmarnock is acclaimed as a classic gem in the new framework of Irish golf.

In 1847 the Jameson family, famous for their world renowned whiskey built St. Marnock's an estate steeped in history and which now forms an integral part of our luxurious hotel as the Jameson House. In 1858 they developed their own private 12 hole golf course, one of the earliest in Ireland stretching from St. Marnock's to the 15<sup>th</sup> Hole at neighbouring Portmarnock Golf Club. Bernhard Langer has affectionately incorporated part of the original layout in his design of The Links Portmarnock which opened for play in 1995.

Considering that less than one percent of all courses in Europe are of genuine links stock, you can readily appreciate the esteem associated with the advent of a golfing haven located just 15 minutes from Dublin International Airport and scarcely 25 minutes from downtown Dublin city centre.

## **QUOTES**

“There are very few locations in Europe which could have allowed me the opportunity and landscape to design such a classic championship links I hope all those who play it discover its magic and challenging beauty”.

***Bernhard Langer***

“I was delighted and surprised to find a new course designed and built in the traditional links style, you would be hard pressed to find a more invigorating vision and challenge. It’s that good.”

***Sean Connery***

“It is a great honour to represent Portmarnock Hotel & Golf Links, which in my opinion is one of the best courses in Europe. Bernhard Langer’s design provides a challenge for golfers of all abilities, but low handicap players will need precision driving, a sharp short game, and good course management to achieve a good score”
