

UNIQUEWORLD REPRESENTS THE ONLY MONTENEGRO-BASED DMC

Uniqueworld, based in London, have added Montenegro to their DMC portfolio, a destination they know well. TALAS–M, the leading Montenegro-based DMC, offer creative solutions in this new and developing country. Newly opened and renovated venues and resorts now offer the meeting planners looking for a ‘Unique and new’ proposition, a real alternative within a two hour flight from the UK.

Andrew Harvey said: “With four protected national parks, rich in culture and heritage and beautiful sandy beaches, we look forward to supporting the growth of UK business into Montenegro. We have known Snezana Vejnovic and the team at Talas-M for over two years and are delighted to be working with them, as the leading locally based DMC. Talas-M have strong local relationships and have been running successful international events into the country for many years.

If you are planning to experience Montenegro “off the beaten path” Talas-M is the Destination Management Company of your choice. An incentive group looking for a thrilling adventure stayed in Bianca, an eco village and hotel resort, themed around a cosy mountain hunting lodge. Apart from numerous ski trails, modern ski-lifts and cable cars, convenient for skiing enthusiasts of every age, this up and coming resort offers various snow activities for non skiers as well. Snowmobiling and snowshoe walking are among the most attractive.

Snezana said “We are delighted to be working closely with a reputable, growing and active company such as Uniqueworld, both brands complementing each other. Whether you decide to reward an employee, impress a client or plan a conference, Talas-M knows the best way to surpass even your highest expectations.”
