

UNIQUEWORLD UNVEILS NEW RESORTS, NEW DMCS AND A BRAND NEW WEBSITE

“Over the past twelve months we have spoken with both our clients, existing members and potential members. We wanted to ensure we were offering the right blend of new, emerging and classic resorts and destinations. Our brand new, ice driving resort in Sweden has had tremendous interest from across Europe, likewise the international and UK clients always seek the quintessential English estate, and there is none finer than Brocket Hall in Hertfordshire. We are now also delighted to be working with such established DMCs as Cantrav in Western Canada, Alpcord in India as well as a rising ‘star’ Tsar Events DMC & PCO in Russia.” says co-Founder, Andrew Harvey .
